

Saint Anne School Enrichment Programs 2018-2019  
All programs are open to all students unless otherwise noted

Lego Club (Grades Kindergarten to 3)

Mrs. Joosten

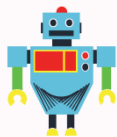

Students will engage in cooperative learning and team building activities. This club meets after school. There is no fee to join.

Show Choir (grades 2 – 8)

Ms. Campana

Students will learn new music with harmony. The aim is to perform at the Christmas Concert in December, the Barnes & Noble Book Fair in December and the iSing Archdiocesan Choir Festival in the spring.

Robotics (Grades 1 – 5)

Explore the basic and complex technology used to design and build robots. Discover how machines and robots work and how they make our lives easier. Learn about simple machines, gear structure, battery wiring, motor principles and electronic circuits. Experiment with different forms of locomotion including wheels, legs and "tracks". Build your very own robot and other projects. This weekly after school class is a sign-up program with an independent provider. A separate fee is paid to Mad Science.

Flag Football

TGA Premier Sports will teach the basic essentials of flag football. This is a sign-up activity with an independent provider, for a separate fee paid to TGA. Lessons take place after school weekly.

Floor Hockey

TGA Premier Sports will teach the basic essentials of floor hockey. This is a sign-up activity with an independent provider, for a separate fee paid to TGA. Lessons take place after school weekly.

Lacrosse

TGA Premier Sports will teach the basic essentials of lacrosse. This is a sign-up activity with an independent provider, for a separate fee paid to TGA. Lessons take place after school weekly.
