

Welcome to Mr. Koslowski's web page
Email: m.koslowski@stannenj.com

As we enter the month of February, we finished Catholic Schools Week with a trip to the movies. Catholic Schools Week was a big success at both St. Anne School and also at my other school, St. Joseph Academy. The teachers and students had fun at both schools and I'm sure all the schools in the Archdiocese of Newark.

Just to let you know, our mission banner winners for the month of December were grades 2 and 8. They displayed the banners in January. As far as January missions go, the banner winners were grades 1 and 8. They will display the banners for February. Believe it or not, the school raised \$76 for both December and January. Thanks to all who participate in the mission collections.

In the gym classes, grades PK to 2 are now involved with a unit on basic ball skills and games. The students will learn and practice ball skills for different sports and then use the skills in different class games that use the skills. This activity will continue through the month of February and into the month of March when they will begin dance and rhythm activities.

In grades 3 to 8, we will be wrapping up the basketball unit the first full week of February and then will be starting the floor hockey unit. Again as usual, the students will learn skills, practice skills and then use the skills and concepts taught in lead up and floor hockey games. This activity will continue until the end of March when they will begin the fitness unit and fitness testing.

Just a reminder, St. Anne School will again be participating in the Jump Rope for Heart sponsored by the American Heart Association. The event will take place during gym classes on March 19th, 20th and 23rd. More information will follow in next month's webpage article.

Have a good month and God bless.
Mr. Koslowski
