

FEBRUARY NEWSLETTER

READING

We just finished the first of our Superkids series. We are at the halfway mark! WOW! We will now focus on main idea, comparing and contrasting and forming conclusions. We will also continue to work on fluency and comprehension.

We are also starting long vowels and short vowels should be mastered. Your child should be able to read and recognize memory words and small CVC (consonant-vowel-consonant) words.

MATH

We are finishing up graphs and charts and will begin place value next.

SOCIAL STUDIES

We are discussing presidents Washington and Lincoln.

FAMILY LIFE

We have finished our Family Life series and it was sent home in your child's folder. You can keep the book home and review it with your child.
