

Ms. Campana - Music Pre-K to 8

l.campana@stannenj.com

The primary children are singing and dancing to seasonal songs for Groundhog Day and Valentine's Day.

The first grade will be studying the instruments of the orchestra. They are also practicing on melody bells to play songs in the key of C major.

The second grade will continue to study "The Carnival of the Animals".

Mozart is the subject for the third grade. The students are now learning about Mozart's "The Magic Flute". They will then move on to the composer Chopin.

The fourth graders will continue their lesson on Beethoven, his life and music.

The fifth grade students will continue to study the life and music of Johann Sebastian Bach. The children will then move onto the famous composer Johann Strauss, Jr.

The sixth graders are creating their own radio programs on a particular genre of music we have studied. They will research the various artists and songs of the different genres.

The seventh grade students are continuing their PowerPoint projects. The "Evolution of Listening Devices" and the artists that were popular is the main objective for this project.

The eighth graders will continue to work on their music videos to a favorite song. The eighth graders also did a lesson on bucket drumming. The students learned the basic drumming patterns that are used in music today!
