September 2019

Dear Parents,

Periodically throughout the school year, the students enjoy events such as parades and assemblies. At these times, pictures of the students are often taken to remember the event. It is sometimes advantageous to use these photos for advertising and marketing purposes. Photos may appear on printed brochures or on the school web site. Your permission is required for any likeness of your child to appear in print or Internet media. You may prefer that your child's likeness not appear in these venues. The form below is for this purpose. Please complete it and return it to school no later than September 12, 2019. Forms will be maintained for one year only and permission is given for the 2019-2020 school year only. As always, if you have any questions, please do not hesitate to call me. Thank you for your prompt response.

Sincerely yours,

Jason Feliciano
